## CANDY CANE HUNT

### DECEMBER 10th-19th

Hi everybody, this is Buddy the elf and he is from the North Pole. He is not like most elves, because he is 6 feet 2 inches tall! Buddy loves being an elf more than anything, almost more than sugar, and he loves spreading Christmas cheer! Because of that, Buddy has traveled through the seven levels of the Candy Cane forest, through the sea of swirly twirly gumdrops, and then through the trails of Leistikow Park with 17 candy canes/coins that spell a special holiday message just for you. There have been sightings of candy canes/coins around town and we have created a map of where we heard they might be. If you find them all and figure out Buddy's special holiday message, please write it down and bring it to school by Monday, December 20th or put it in the Chamber of Commerce mailbox at 432 Hill Ave. As you look for the candy canes just remember what Buddy always says,

**"I just like to smile, smiling's my favorite."**

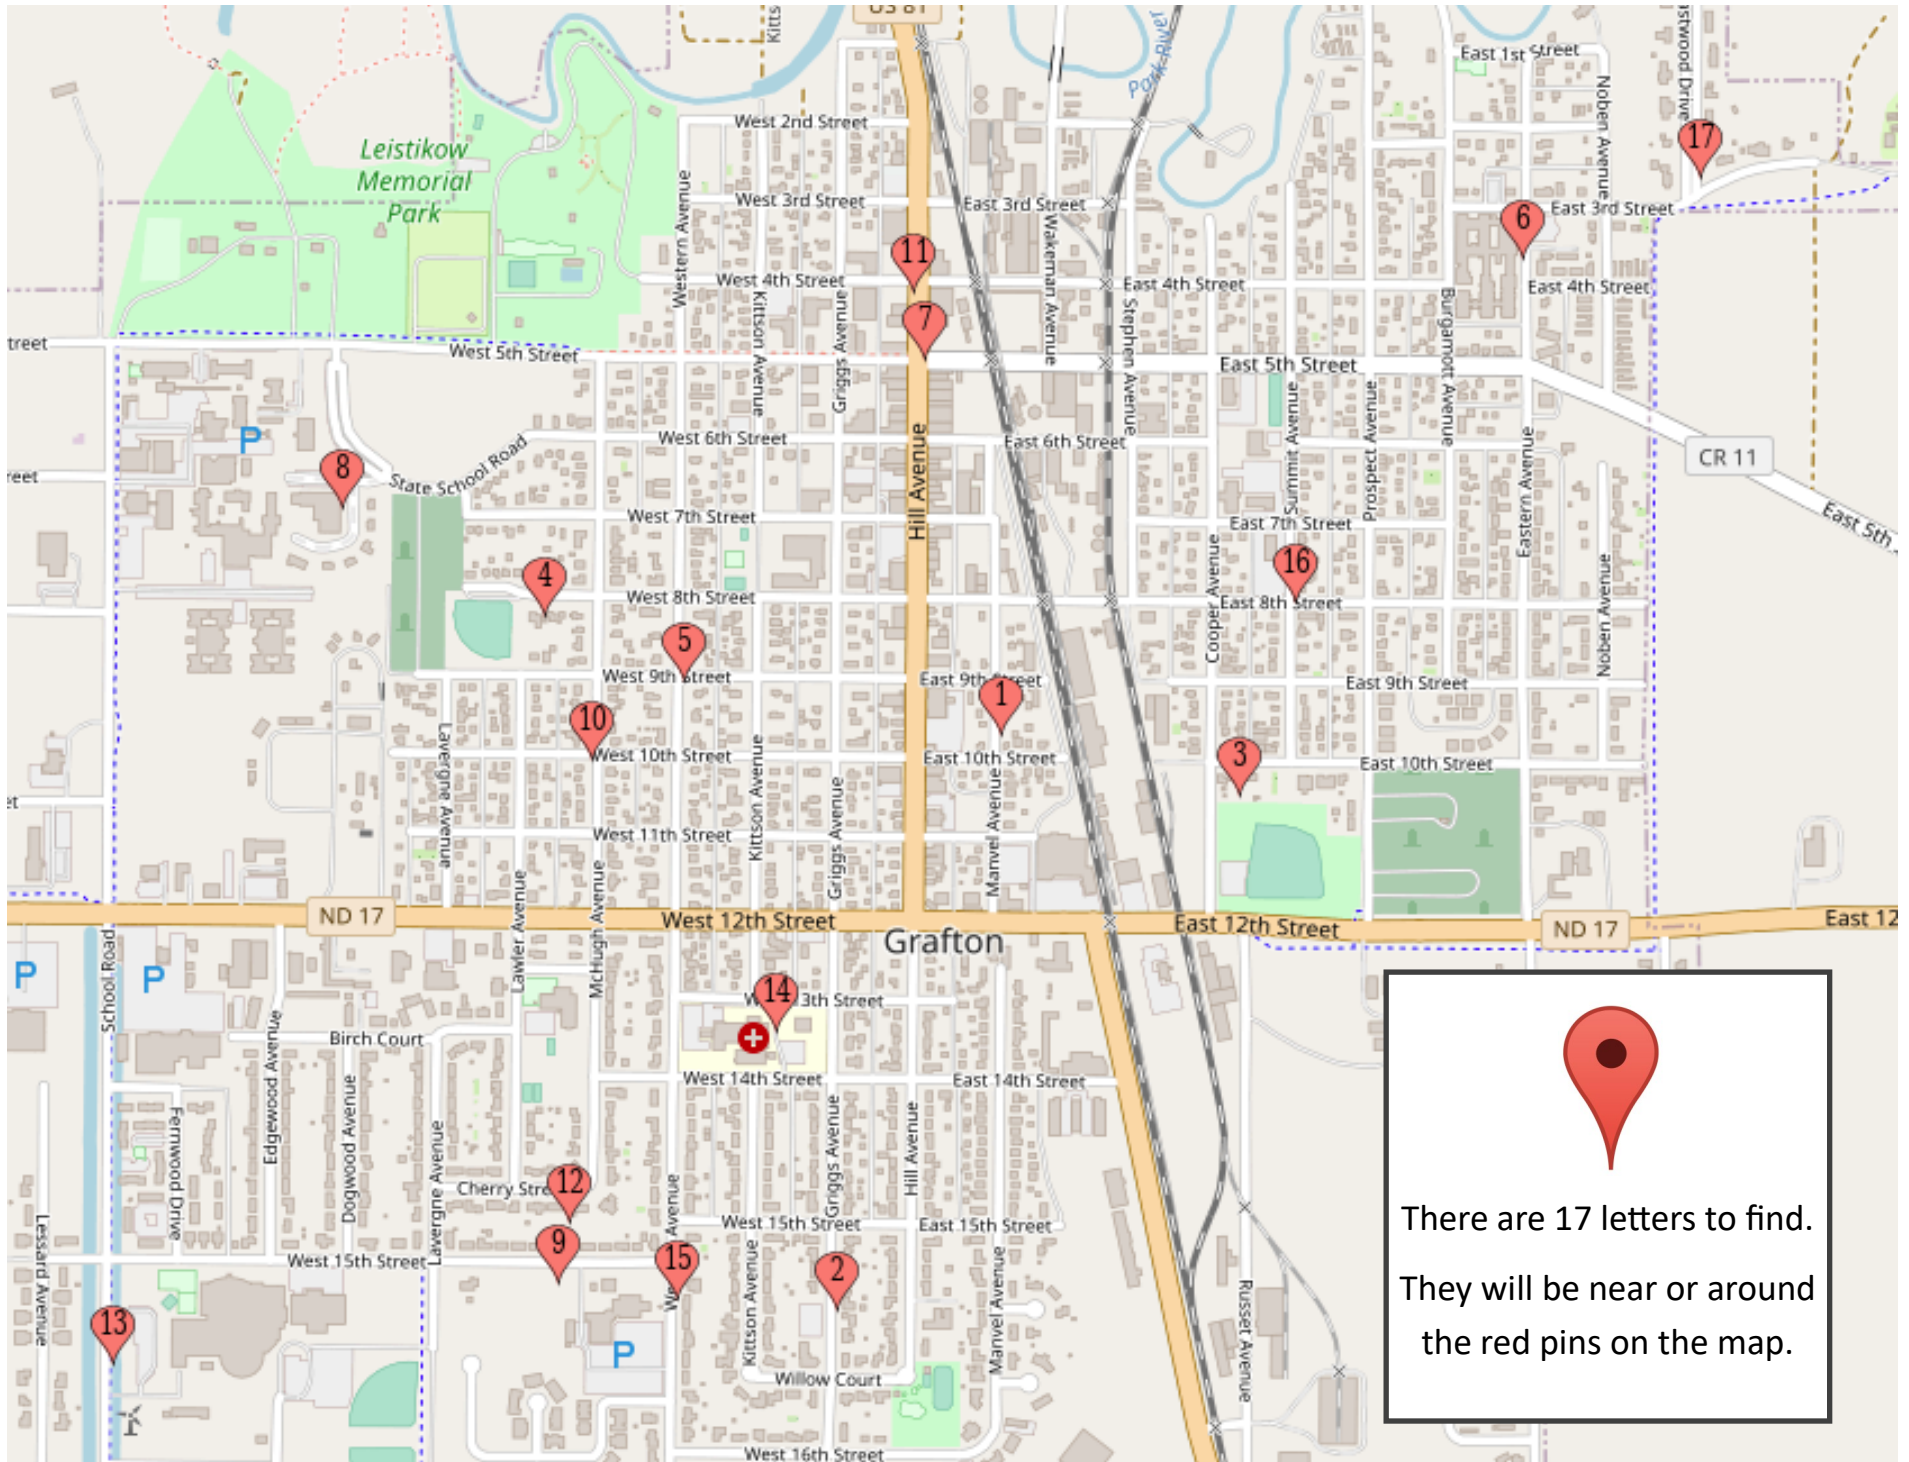

Poster, map, and letter sheet  
can also be picked at the Chamber

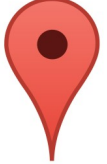

Grafton Chamber mailbox at 432 Hill Ave.

We would love to see photos  
of you searching for letters!  
Please take an ELFIE and send it to 701-360-0956

There are 17 letters to find.  
They will be near or around  
the red pins on the map.
