

2026 Vendor Information

The Steering Committee of the Grafton Farmers Market is looking forward to our 15th season! The GFM will run Tuesdays from 4:30-6:30 pm, July 7th through September 8th at Heritage Village, off Highway 17 in Grafton.

We have significant plans for events on every market night to help celebrate our 15th year together. We also expect to have free carousel rides and meals available for purchase. Letters are going out to recruit volunteers and sponsors for special events and carousel rides. The market will be open to groups serving meals as a fundraiser. If you know of groups that we should reach out to with these opportunities, we would be happy to give them more information.

We encourage all local makers and growers to consider joining the market. Please spread the word. The market is expected to run for 10 days this season at a fee of \$30. At \$3 per market day, this is a great investment in making connections and sales with an established customer base. For those who feel they do not have enough product, they might consider partnering with friends to fill a table. Vendor fee is based on a one table width (6-8 ft) booth space and can be shared as long as all contributors meet market guidelines as specified in the bylaws. There are many ways to fit multiple tables into one booth if needed. GFM Bylaws have also been sent to you, please review and send questions as necessary.

As members of the North Dakota Farmers Market and Growers Association we can help point toward grants, especially for new and youth vendors. Email: GraftonFarmersMarket.ND@gmail.com or call/text: Heather 701-520-4594 for questions/clarifications.

The Grafton Farmers Market is run by volunteers, all fees enable advertising on your behalf. Steering committee members also pursue grant opportunities and sponsorships to enhance the market.

We appreciate everyone's help making the Grafton Farmers Market a success through word of mouth, putting up posters in places you frequent and to 'Follow, Like and Share' on social media. Interacting with Market social media means more views and success for your business! GFM is currently on Facebook and Instagram.

Grafton Farmers Market Vendor Application

Name _____ Date _____

Address _____
