

2024 Vendor Information

The Steering Committee of the Grafton Farmers Market is looking forward to our 13th season! The GFM will run Tuesdays from 4:30-6:30 pm, July 2nd through September 10th at Heritage Village off Highway 17 in Grafton.

Sponsor letters are going out soon to recruit volunteers for special events during the market and carousel sponsors to help provide free carousel rides for market visitors on select days. The market will again be open to groups serving meals as a fundraiser. If you know of any groups that we should reach out to with these opportunities, we would be grateful to hear.

We encourage all local makers and growers to consider joining the market (baking, canned goods, veggies, crafts, etc.) Please spread the word to anyone who may have interest. The market is expected to run for 11 days this season at a fee of \$30. At less than \$3 per market day, this is a great investment in making connections and sales with an established customer base. For those who feel they do not have enough product, consider partnering with friends to fill a table. If you 'sell out' before the end of market day, it is a great opportunity to take orders for next week. Consistency helps customers know what to expect and increases market success. Vendor fee is based on a one table width (6-8 ft) booth space and can be shared as long as all contributors meet market guidelines as specified in the bylaws. There are many ways to fit multiple tables into one booth! Call/text: Heather 701-520-4594 for questions/clarifications.

The Grafton Farmers Market is run by volunteers, all fees enable advertising on your behalf. Steering committee members are also pursuing grant opportunities to enhance the market. Sponsorships and grants assist in making market events and advertising possible.

Market vendors are invited to hold a spot on the steering committee to help organize and make decisions about the market. There are several seats open. We are asking for everyone's help to make the Grafton Farmers Market a success by putting up posters in places you frequent and to 'Follow, Like and Share' on social media. Interacting with Market social media means more views and success for YOUR business! GFM is currently on Facebook and Instagram.
